

Families and Friends for Drug Law Reform invite you to a

**PUBLIC FORUM**  
**Making it Happen:**  
**Impact of Drug Policy on the**  
**implementation of**  
**the Canberra Social Plan**

on **Wednesday 23<sup>rd</sup> June, 2004**  
**5.00pm – 7.00pm**

in the Reception Room, the Legislative Assembly  
Civic Square, London Circuit, Canberra  
*Sponsored by Jon Stanhope, ACT Chief Minister*

**Chair: David McDonald**, Consultant, Social Research and Evaluation

**Panel Members:**

- **Prof Ian Webster:** Physician, Emeritus Professor of Community Medicine and Public Health
- **Assoc Prof Dr Michael Levy:** Director, Centre of Health Research in Criminal Justice (Corrections Health Service)
- **Meredith Hunter:** Executive Officer, Youth Coalition of the ACT
- **Basil Varghese:** Education Co-ordinator/Ambassador, The Brotherhood of St Laurence

This forum will look at the Canberra Social Plan from the perspective of drugs. It will discuss the extent to which drug policy impacts on the achievement of the goals of the plan regarding children, education, homelessness, mental health, community safety and other social problem areas. An objective of the forum is to discuss ways to help make the Canberra Social Plan happen.

Refreshments will follow.
